## COVER:

Wanda moved into a Bello Machre community home in 2017. She also participates in our Meaningful Day Program.

*"I really love the volunteering we do each week. We work at a nursing home and play games with the residents. We work with Meals on Wheels to bring food to people who don't have it. We also work at the Orphan Grain Train to help them sort donations!" shares Wanda.*

Read more about Wanda on page 2.

Bello Machre means Home of My Heart in Gaelic. We provide homes and support to children, teens, adults, and seniors with developmental disabilities. More importantly, we provide a lifetime commitment to enrich the lives of those we serve through loving care, guidance, and opportunity.

Employing over 375 skilled professionals, we have the capability to serve 200 people in 55 community homes throughout Central and Western Maryland. Bello Machre also provides help and support to more than 150 children, adults, and families in their own homes.

The Hertha and Jesse Adams Ray of Hope Program helps families by offering assistance with expenses such as specialized summer camp, physical therapy, and adaptive equipment. Trained and caring staff provide residential respite care during family hospitalizations, emergencies, and vacations — 24-hours a day — seven days a week.

The Meaningful Day Program provides individualized day services including supported employment; job development and training; and community-based social, recreational, and educational opportunities. Our goal is that each person we support be engaged in all aspects of community life throughout Maryland.

Bello Machre is there to help with whatever is needed, empowering people with developmental disabilities to live life to its fullest.

Bello Machre is a 501(c) (3) organization registered with the State of Maryland Secretary of State, regulated by the Maryland Department of Health, and licensed by the Maryland Office of Health Care Quality. We serve children, adults, and families without regard to race, religion, gender, or national origin.

2019  
ANNUAL REPORT

What a great year we've had at Bello Machre! We continue to welcome new people into our family. Our mission of providing a lifetime of loving care includes opening the doors to a variety of new opportunities so that each person can live life to its fullest.

Our Meaningful Day and Support Services Programs continue to explode with growth. Together, they provided an additional 20,000 hours of services and supports. 27 new people began receiving in-home support services, and our caring staff provided more than 425 respite care days. This year, 18 individuals with developmental disabilities joined our Meaningful Day family — nine of whom have real jobs in the community!

Julie Provan, Vice President and Chief Operating Officer, comments, "Both of these programs act as the gateway to Bello Machre for other services. Additionally, the Meaningful Day Program provides exceptional opportunities to connect with local businesses."

In 2019, Bello Machre built one new home (*pictured right*), completely renovated another, and began constructing two more homes. Building new, beautiful, fully wheelchair-accessible homes prepares us to provide lifelong care to people with developmental disabilities.

At the heart of all we do are the direct care professionals who provide loving care each and every day. These inspiring individuals are the foundation of Bello Machre. One of our most significant challenges is to have the funds necessary to continue to attract and keep great staff.

Therefore, we have spent this year planning and developing a campaign strategy to ensure our financial stability today and for generations to come. We must dramatically increase our endowment to bridge our ongoing funding gaps so that we can honor our commitment to provide a lifetime of loving care.

Dr. Robert Ireland, President and Chief Executive Officer states, "With the growing network of people we support in the community, the staff who provide outstanding service, the volunteers who share their time and talent, and the granters and donors who help bridge the funding gaps — **our Bello Machre family continues to thrive. . . for that I'm profoundly grateful.**" 🌸

Julie Provan, Vice President and COO, and Dr. Robert T. Ireland, President and CEO, are opening doors for people with developmental disabilities.

"Lifelong care means lifelong income. Lifelong income to support people with developmental disabilities for generations to come. We are so thankful for every dollar donated to Bello Machre."

– Dr. Ireland

## We Nurture, We Teach, We Care *for people with developmental disabilities*

Every person who is a part of the Bello Machre family will be treated with kindness and respect and will have the opportunity to love and be loved.

### Wanda

“I love helping other people. There is nothing better than making someone happy by giving them the support they need,” shares Wanda, a resident of Bello Machre.

Wanda grew up surrounded by a loving family. Wanting more independence, she moved into an apartment. She soon discovered the many challenges of living on your own. “When I needed help with bills, food, and cleaning, Bello Machre was there. They helped me in my apartment for a while and then offered me a new place to live,” shares Wanda.

In 2017, Wanda moved into a Bello Machre community home. After settling in, Wanda joined Bello Machre’s Meaningful Day Program that provides work, volunteer, and community engagement for people with developmental disabilities. Wanda and her Meaningful Day group participate in a wide variety of activities throughout the community. “We go everywhere,” she explains. “Whether we are exercising, doing arts and crafts, or volunteering, we are always having fun.”

In addition to finding meaningful activities in the community, Wanda has developed strong friendships with the people in her group. She notes, “I am so glad I get to spend time with people who make me happy. I love Adrienne, the staff who supports our group. She brings me so much peace and is the best friend you always want to be around. She treats me with respect and supports me in reaching my goals.”

With Bello Machre’s support, Wanda can show her caring spirit each and every day. Whether she is volunteering with the Meaningful Day Program or sharing a laugh with the people she loves, Wanda approaches every day determined to help others. She shares, “My family and my faith are so important to me. They taught me that the best thing we can do is bring happiness and friendship into this world . . . I want to do that every day!” 🌟

## Samantha

"I love my job!" exclaims Samantha.

Samantha joined Bello Machre's Meaningful Day Program in hopes to find a job in the community. After working with one of our Employment Specialists, Samantha landed her first job ever at SCLogic — a computer company specializing in managing the most complex workflows, based in Annapolis Maryland.

"Samantha answers our customer tech support calls. She is a recognizable voice for our clients. Her support allows our tech support team to focus on finding solutions for our clients," shares Mike Saldi, CEO and Founder of SCLogic.

Samantha quickly fell in love with her job and excelled in her new position. "It did not take long for us to realize that Samantha is an invaluable and wonderful addition to our team," shares Brad Wanner, SCLogic's Vice President of Technical Services. Samantha was so valuable, within a few months of starting, SCLogic asked her if she would like to increase her workweek from three days to four days!

In addition to gaining professional work experience, Samantha has developed long-lasting friendships with her coworkers. "Since starting with Bello Machre's Meaningful Day Program, we have seen tremendous growth in Samantha. Bello Machre staff have given her confidence and the opportunity to contribute and interact within the community," shares Jacqueline, Samantha's mom.

Mike adds, "It is wonderful to partner with Bello Machre's Meaningful Day Program and work with Samantha. Bello Machre helped us find a position that was both meaningful for her and incredibly helpful to us. She's probably helped us more than we help her!" 🌸

## MICHELE WAS NAMED ADVOCATE OF THE YEAR

*Michele Goodman-James  
(pictured with Mary), Family  
Living Director for our St.  
Stephen's Church Road home  
in Anne Arundel County, was  
named Advocate of the Year  
in 2019 in recognition of her  
love and encouragement for  
the people we support.*

*"Michele makes the ladies in the St. Stephen's Church Road home know they are important, loved, and respected," explains Linda Ancin (pictured right), whose sister, Mary, lives in the home. "Mary first came to Bello Machre several years ago after our mom passed away. Mary had lived with our mom her whole life. My sister always had relatives, friends, and neighbors who cared about her and looked out for her. I was afraid when she moved she would no longer have this support. Michele and Bello Machre not only provide this, but so much more."*

*Linda continues, "Just after mom passed away, Mary moved into Bello Machre. It was around Christmastime and mom had already purchased her a gift. When Mary opened the gift and saw the scarf our mother had gotten her, she began crying. Michele went to her and put the scarf on her saying, 'Look at all that love! Whenever you put this scarf on it will be like a hug from your mother!'"*

*Linda notes, "Mary and the other ladies who live at the home care for each other. This is something they see modeled in Michele as she wants the ladies to always feel like they are surrounded by love and they are at home."*

## Extraordinary acts of Generosity

### Thank You Schuffmans

*"Words cannot express the gratitude we have for you. We truly appreciate the years of supporting Bello Machre," says Dr. Robert T. Ireland.*

### Dimensional Health Care Associates

Denise and Howard Schuffman of Dimensional Health Care have been supporting Bello Machre for over a decade. In addition to their generous support of over \$150,000 spanning 10 years, their philosophy of providing outstanding care for people with developmental disabilities is unsurpassed. Dimensional Health Care is a nurse-case management and delegated nursing services company that also provides staff training.

The Schuffman's have been a long-time partner and friend to Bello Machre directing and guiding our staff to provide the best care possible. In 2006, they helped us develop the Certified Nursing Assistant curriculum that we are still teaching today. As Denise and Howie move toward retirement, they are passing the torch to Kelly Dempsey. *"It has been an honor and pleasure to share the relationship we have had over the years. Retirement is always a difficult decision, but knowing Kelly and her commitment to quality and the people we serve made it that much easier,"* says Denise Schuffman.

Kelly, a long-time employee of Dimensional, has been a huge supporter of Bello Machre, the people we support, and all of our events. In addition to participating at our events, Kelly has volunteered with her family in our Carroll County region. *"It is my honor to continue Dimensional Health Care Associates support of Bello Machre and look forward to our continued partnership. Bello Machre truly embodies their mission to provide a lifetime commitment of loving care, opportunity, and guidance,"* says Kelly Dempsey.

We wish Denise, Howie, and Kelly congratulations and much success in their new roles.

## Community Partnerships

Our Post Road home located in Hanover, Maryland, was dedicated on Monday, July 22, honoring the community partners that made it possible. Our generous community supporters and distinguished guests included: The Honorable Steuart Pittman - Anne Arundel County Executive; Senator Pamela Beidle (District 32); Delegate Mark Chang (District 32); Councilmember Sarah Lacey (District 1); Delegate Michael Rogers (District 32); Pamela Jordan, Anne Arundel County Department of Aging and Disabilities; Kathleen M. Koch, Arundel Community Development Services; Michael Muzik - Cattail Construction; and Donald Parsons, Community Bank of the Chesapeake.

These individuals and organizations demonstrate an outstanding commitment to Bello Machre and our mission. "I am so pleased we could continue our partnership to help build affordable and sustainable housing for Bello Machre residents in a community setting. Our partnership works because ACDS brings capital funding and construction expertise, while Bello Machre brings ongoing operating funds to ensure the houses are well maintained and staffed to create a warm home environment for the residents where they can age in place," says Kathleen Koch, Executive Director, Arundel Community Development Services. 🌸

**GRANT PARTNERS** The generous community grant partnerships continue to make a difference by helping to fill critical gaps in funding at Bello Machre.

**Kathy and Jerry Wood Foundation:** Generously granted \$25,000 in the support of the Bello Machre Meaningful Day Program. Their help resulted in explosive growth welcoming a total of 18 new people into the Anne Arundel and Carroll County Programs.

**Maryland Affordable Housing Trust:** Generously granted \$45,000 in support of Bello Machre's critical shelter in place projects. Their generous support helped purchase whole-house generators in three wheelchair-accessible homes. Sheltering in place in a weather emergency or power outage is crucial for the health and safety of the people we support and our employees.

**Maryland Department of Housing and Community Development:** Generously granted a \$10,000 community investment tax credit in support of our Community Education & Gathering Center. This generous grant supported the preliminary site design and architectural drawing as we ready for the project.

**Phillips Charitable Foundation:** Generously granted \$45,000 in support of our respite care program helping families who desperately need a break from caring for their family member with disabilities. This grant also helped with the start-up costs for individuals coming to live in a Bello Machre community home who don't have the means to purchase furniture and personal items to get them started. This generous funding helps to bridge the gap for unfunded programs.

**Hertha S. and Jesse L. Adams Foundation:** Generosity continued with their \$41,935 grant in support of the Hertha and Jesse Adams Ray of Hope Program helping families in our community and individuals we support with unfunded items such as physical and occupational therapy, co-pays for medical appointments, prescription medication, summer camp expenses, adaptive equipment, and transportation to out-of-state specialists.

## Remembering Our Friend George

George Wohlgemuth passed away in December 2019. He and Honora, his wife of 60 years, were close friends and very generous supporters of Bello Machre.

George and Honora became involved with Bello Machre when their daughter, Peggy, came to live at one of our homes in 2002. Their generosity spanned over 18 years and totaled over \$350,000. Thank you, George, for your friendship, love, and unwavering support of Bello Machre.

## Our fundraising and special events Celebrate Our Work

#### **A COWELL FAMILY AFFAIR**

Liz and Dave Cowell reflect. . .we would recommend that everyone get involved with this tremendous organization. With two teenagers and a tween, we wanted to introduce our kids to a broader community beyond the familiar surroundings of their neighborhood, schools, and sporting events. Our son, Grant, says, "I like talking sports with (residents) Eric and Stanley. It's also fun watching how happy they all are making cookies (and eating them), especially Joey and Sean." It has been a complete joy to witness the growing relationships between our children and the residents of the Wohlgemuth Home. We've baked cookies, played video games, cheered on the Ravens, carved pumpkins, made crafts, decorated for the holidays, and created art works with Joey, Stanley, Sean, and Eric. Hugs, high-fives, and joyful smiles greet us every time we walk through the

front door. We look forward to our time together, and we have a deep appreciation for the residents and caregivers who comprise the Bello Machre family.

*"I love working with Eric on his paintings. He is so excited about his art. Stanley (pictured) also loves doing crafts. He always has a big smile on his face," says Grace Cowell.*

*"When I volunteer at Bello Machre, I'm making new friends. I like how (residents) Joey, Stanley, Eric, and Sean are happy to see us when we visit."*

***“Bello Machre was a lifesaver for our family. My son, Chris, who has since passed away, lived at Bello Machre for many years. Although I miss him so much, I made so many friends at Bello Machre whom I still talk to. I’ll keep supporting Bello Machre for as long as I live – and even after I go as I have included them in my will. Thank you for being there for us. I love you all.”***

- Robin Lindsey, parent and Heritage Society Member

### Letter from a Grateful Mom

Dear Dr. Ireland,

*Our family wanted to say thank you for the reimbursement check for the cost of material to re-face our ramp/deck that we use to get Erik in and out of our house. After 18 years of use of the ramp that Bello Machre originally helped us with, it needed some loving care.*

*We are so grateful for Bello Machre and your staff. Your organization has helped us so many times with things that Erik requires for his daily routine. Things that many of us take for granted. We truly do appreciate it from the bottom of our hearts.*

*Bello Machre does so much good for the folks it serves, and your staff have always shown only love and compassion. It truly shows that they love what they do, and they do it so well.*

*Thanks for always being there for us.*

*Kathy & Erik at ESC 2019*

*A lifetime of loving care  
for people with developmental disabilities*

### **WE MAKE LIFELONG FRIENDS!**

Bello Machre provides a lifetime commitment of loving care for children and adults with developmental disabilities. We promise family members that we will always be there for their loved ones. We support over 200 people in our 55 community homes and help more than 150 children, adults, and families in their own homes and communities. Founded by parents of children with developmental disabilities, our name means **Home of My Heart** in Gaelic. We are an amazing organization in need of volunteers, donations, and funding. More importantly, we need your help to spread the word! We believe that everyone deserves the opportunity to love and be loved – that's what Bello Machre strives for each and every day — we invite you to be a part of the Bello Machre Family.
