COVER:

We truly are stronger together.

Throughout 2020, the health and safety of the Bello Machre family was our first priority. *We remained diligent to keep the individuals we support and one another safe. All staff, without exception, were required to wear masks for the duration of their work shifts. Where tolerated, individuals were offered masks for their protection. In these photos, you can see the smiles shine through, whether the folks we support were at work or having fun with their caregiver.*

*We salute our amazing frontline staff who continued to show up to provide loving care each and every day. **The Bello Machre family has pulled together like never before.***

Bello Machre means Home of My Heart in Gaelic. We provide homes and support to children, teens, adults, and seniors with developmental disabilities. More importantly, we provide a lifetime commitment to enrich the lives of those we serve through loving care, guidance, and opportunity.

Employing over 375 skilled professionals, we have the capability to serve 186 people in 50 community homes throughout Central and Western Maryland. Bello Machre also provides help and support to more than 150 children, adults, and families in their own homes.

The Hertha and Jesse Adams Ray of Hope Program helps families by offering assistance with expenses such as specialized summer camp, physical therapy, and adaptive equipment. Trained and caring staff provide residential respite care during family hospitalizations, emergencies, and vacations — 24-hours a day — seven days a week.

The Meaningful Day Program provides individualized day services including supported employment; job development and training; and community-based social, recreational, and educational opportunities. Our goal is that each person we support be engaged in all aspects of community life throughout Maryland.

Bello Machre is there to help with whatever is needed, empowering people with developmental disabilities to live life to its fullest.

Bello Machre is a 501(c) (3) organization registered with the State of Maryland Secretary of State, regulated by the Maryland Department of Health, and licensed by the Maryland Office of Health Care Quality. We serve children, adults, and families without regard to race, religion, gender, or national origin.

Our Leadership *is dedicated, experienced, and compassionate*

What a year it has been! Although the pandemic has consumed and disrupted our daily lives, Bello Machre has done an amazing job of navigating these unprecedented times. Dr. Robert Ireland, President and Chief Executive Officer, comments, “Bello Machre is stronger because of the unwavering support and dedication of our employees, family members, volunteers, grantors, and donors. In a year of PPE, social distancing, mandatory masks, and sheltering at home, the phrase ***Together We Are Stronger*** has never been truer.”

Throughout 2020, Bello Machre continued its strategic initiatives of building new homes, creating more meaningful opportunities for people with developmental disabilities, and implementing new technology and systems.

Bello Machre was undeterred in its efforts to provide outstanding services to the people we support. Although we were not able to provide conventional community services, staff provided virtual creative activities through Zoom meetings and socially distant neighborhood walks. Even with the temporary closures and limitations put on our local business community, Bello Machre’s Meaningful Day Program was able to place people in community jobs. Despite the disruption of our administrative schedules and office closures, we implemented an agency wide cloud-based system so critical information is immediately available and we can maintain the highest level of service.

“I’m so grateful to work with an extraordinary group of people who, in unimaginable circumstances, went up and above the call of duty,” comments Julie Provan, Bello Machre’s Chief Operating Officer. From our frontline heart heroes to the maintenance team, from the administrative staff to our training managers, from our program directors to our leadership team, we saw an unwavering commitment to those served and supported by Bello Machre.

We could not have made it through the year without such a caring community. Our healthcare professionals guided us every step of the way. Our vendors were always available to deliver medication and supplies whenever it was needed. We are grateful to our grantors who provided grant dollars for critical Personal Protective Equipment, games and craft supplies to keep those we support engaged, and technology expenses. Our volunteers brought joy and encouragement to our community homes by delivering home-cooked meals, baked goods, and hand-made greeting cards. We thank you all for making a profound difference at Bello Machre.

Dr. Ireland concludes, “I’m grateful and blessed to be surrounded by an extraordinary community — our strength lies in each and every one of you. **We truly are stronger together.**” 🌸

Julie Provan, Vice President and COO, and Dr. Robert Ireland, President and CEO, are adapting and working hard to keep people with developmental disabilities feeling safe and loved.

“Although the photo portrays a more normal time, it reminds me that there is a light at the end of these challenging times. Lifelong care means lifelong – through anything. We are so thankful for every dollar donated to Bello Machre during this unprecedented time.”
– Dr. Robert Ireland

We Nurture, We Teach, We Care *for people with developmental disabilities*

Every person who is a part of the Bello Machre family will be treated with kindness and respect and will have the opportunity to love and be loved.

A Decision That Changed Our Lives!

"I wasn't familiar with Bello Machre and was very hesitant," says Dianne, Amy's mom. "Amy had been with another organization for almost 20 years. I knew it was time for a change when I kept seeing my happy girl worrying every week whether staff members would show up or be pleasant. On the first meeting with Bello Machre to discuss the possible transition, I was so relieved. Amy and I discussed it happily in the car ride all the way home. We made our decision on that very day."

Amy joined the Bello Machre family two years ago because of a breakdown in services from another organization. Amy is very independent and lives in her own apartment in the community. She needs a little assistance to support her independent life.

Bello Machre knew that Quantrice (nicknamed "Q"), a Direct Support Professional in our Carroll County office, would be a perfect fit for Amy. Dianne laughs, "I would say that it was love at first sight. When Amy met Q for the first time, she walked over to her and gave her a big hug. It was then and there I knew that we had made the right decision."

Since that day, Amy has always considered Q as her dear friend. Dianne shares, "I see that beautiful smile and a light in Amy's eyes every time she mentions Q. As a Mom, that is the greatest feeling of all."

Amy shines because of Bello Machre

Amy and Q

Bello Machre also jumped in to support Amy and her family this past summer. Amy's stepdad, Rick, had a stroke. Dianne explains, "As expected, our lives changed dramatically. Bello Machre staff members reached out to me that very day to ask if Amy needed additional support. Before I could even consider what Amy needed, they were there for her. Just having the love and presence of staff comforted her; and I was able to do the things I needed to do."

During the pandemic, Amy faced some challenges while living on her own. Dianne shares "We weren't sure how it would affect her day-to-day life. I was surprised because nothing really changed at all! She received the one-on-one services and friendship she had been enjoying. Q came up with a plan to keep both of them safe while still enjoying all the things that Amy loved. Amy can still realize the dream that she has had now for many years — to stay in her own apartment and to be as independent as possible.

Dianne reflects, "As a mom, I can't say enough how thankful I am that we found Bello Machre. I know that they will be there for her and that she will be safe; that makes me feel less anxious about the future. Thank you, Bello Machre, from the bottom of my heart. You have truly enriched our hearts and our lives!" 🌸

Cathy Always Shares a Smile!

Even at the age of 74, Cathy is still the life of the party. Her brother, Rick, remembers, “My sister has always been full of life. She loves being social. When we were younger, she would light up when family came over and would sing along when we started playing music.”

Cathy was diagnosed with intellectual disabilities caused by complications from birth. She grew up surrounded by a loving family. When Cathy’s mother passed away, her twin sister, Mary, took care of her for many years. Mary shares, “I wanted to do everything I could to take care of Cathy. But, when I developed some health concerns, caring for Cathy became overwhelming. That’s when we found Bello Machre!”

Cathy’s family knew she would be safe and loved at Bello Machre. Rick reflects, “Cathy has now been at Bello Machre for over 20 years! She has truly blossomed. Her staff are always looking for creative ways to help her follow her passions, whether it’s bowling, crafting jewelry, or singing. Our family is so grateful for the life Bello Machre has helped Cathy live!” 🌸

This summer, the people who live in Bello Machre’s campus homes gathered for a socially distant Every Step Counts celebration. Everyone donned their ESC spirit-wear and played games, ate delicious picnic food, and danced to music. Cathy’s laughter and songs rang throughout the party.

Evergreen Holidays & Home

“The ladies from our Evergreen home love to be outside. We spend many days walking around the neighborhood and getting fresh air,” shares Ashley, the Family Living Director for the home. “We love going for walks in the park and eating at our favorite restaurants.”

When Covid-19 shut down our communities, life changed for the ladies at the Evergreen home. Ashley knew that the directives to shelter in place would keep the ladies and staff safe. She also knew the importance of having meaningful discussions with and offering reassurance to the individuals, family members, and staff. Ashley says, “I sat with Esther, Kiyumi, Mary, and Patricia (the ladies who live in our Evergreen home) and explained that, although we may not be out and about in the community, we would still celebrate every day together!”

Although life was very different at the Evergreen home, Ashley continued to find new ways to make every day special. She comments, “Whether we were eating our favorite meal, having an at-home movie night, or listening to music, we were doing activities we love. . . together!”

“We made sure this year’s birthday and holiday celebrations were extra special. We love to dress up for birthday parties, eat delicious pizza and cake, and sing loudly for one another,” Ashley reflects. “For Christmas, everyone had matching pajamas, and we took pictures in front of the Christmas tree. We cooked so much food and all the ladies were showered with presents, from both staff and volunteers. Everyone was so happy, but I probably had the biggest smile of us all!”

While not every day can be a major celebration, Ashley and the other staff members always remind the ladies how much they care. “Holding their hands or giving them a hug are the simple, everyday ways we show them love. Seeing them smile makes me smile,” shares Ashley. 🌸

Extraordinary acts of Generosity

Our 100% Giving Board of Directors

In 2020 the Bello Machre Board of Directors donated over \$60,000 with John Goldthwait, Jr., our Board Chair, leading the charge! In addition to participating in and sponsoring our events, John supports our mission all year long through his generous monthly giving. He comments, “I am most impressed and touched by the deep and caring bonds that form between the people we support and our fantastic caregivers. It is these connections and relationships that make Bello Machre such a special place!”

Not only are Janis Ellis and Dave Wynkoop Bello Machre family members, but they make exceptionally generous yearly commitments to Bello Machre’s Trust Fund. Andrew Cooch, D’Ana Johnson, Gordon Mumpower, Donald Parsons, Quinn Salamandra, and Karyn Tolan make generous sponsorship donations and participate in Bello Machre’s Every Step Counts and Golf Tournaments year after year. Matt Lewis, from The Y, Trésa Ballard, from Anne Arundel Community College, and Honora Sutor and Michele Marshall donate and routinely make community connections sharing our mission, vision, and values.

Leadership **2020** Came together to support the Bello Machre community.

Our Generous Community

Our amazing grant partners made numerous funding opportunities available for Bello Machre during these unprecedented times. These grants were critical in keeping our employees and the people we support safe. From masks to thermometers, face shields and gowns, from computer equipment to virtual training platforms – we could not have gotten through this difficult year without the help of a very generous community.

Members of the Community Foundation of Anne Arundel County

Maryland Non-Profit Recovery Initiative through the Maryland Department of Housing and Community Development provided a generous grant in the amount of \$75,000 to purchase personal protective equipment (PPE). Bello Machre purchased hundreds of masks, gowns, face shields, gloves, cleaning products, hand sanitizer, and thermometers to keep the people we support, our staff, and caregivers safe and well. The initiative also provided funding for systemic loss of revenue due to the pandemic.

Community Foundation of Anne Arundel County awarded Bello Machre two generous grants. One grant of \$2,500 from the CFAAC Crisis Response Fund provided PPE supplies and food for families who receive services. The other grant, in the amount of \$10,000, administered by CFAAC from the CARES Act, helped with computer equipment so staff can safely work remotely and a virtual training platform for our direct care professionals. *"At the start of the pandemic, CFAAC activated our Community Crisis Response Fund and distributed more than \$1.3 million to local nonprofits. We were honored to partner with organizations like Bello Marche to provide essential programs and services to our county's vulnerable populations during this crisis,"* said Mary Spencer, President & CEO of CFAAC. *"The CFAAC staff, its board, and donors have been working tirelessly to help local nonprofits through this unimaginable crisis in our community. Organizations such as Bello Machre are on the front lines every day providing essential programs and services that are helping our county residents tackle the incredible challenges posed by COVID-19."*

Maryland Developmental Disabilities Council

helped with grant dollars in the amount of \$2,500 to purchase engagement supplies including crafts, puzzles, baking goods, and movies. These items were used to ensure that the people with developmental disabilities living in our community homes stayed engaged. Playing a game, connecting through an art project, and/or gathering together to bake a delicious meal helped to unite everyone in the home through laughter and friendship.

Arundel Community Development Services provided a very generous in-kind donation valued at almost \$10,000 in supplies including sneeze guards, hand sanitizing stations, gloves, masks, cleaning supplies, and computers. *"ACDS is pleased we could work with the County to secure Coronavirus Relief Funds (CRF) and use a portion of those funds to help our human service nonprofit partners continue to execute their essential missions in the time of COVID-19. We helped over 50 organizations like Bello Machre not just pay for, but also secure through our bulk purchases, hard to procure PPE and other essential operating supplies,"* comments Kathleen Koch, Executive Director.

Kathy & Jerry Wood Foundation continued its support of the Bello Machre Meaningful Day Program with a \$25,000 grant. This grant helps young men and women with developmental disabilities obtain job skill training and community job placement. This grant was even more important during all the challenges placed on this program during the pandemic. Over the course of the year, numerous people received job skills training and were able to secure community employment.

Every Step Counts Goes Virtual!

Even though Every Step Counts 2020 looked a little different, our amazing community of supporters showed their enthusiasm and generosity! Our virtual, week-long celebration was a huge success and raised over \$140,000. Over 200 participants walked, biked, and ran in their own communities and connected via a virtual dance party. The extraordinary spirit of our volunteers was evident through their inspiring chalk messages on the driveways of our community homes, delivery of cookies, and crafting of thank you cards for our frontline staff. Thank you to everyone who came together to make ESC 2020 the best ever! 🍪

RANDI HAUTALA SPEAKS ABOUT VOLUNTEERING DURING COVID

"I love volunteering at Bello Machre because everyone is always so upbeat and positive. It's great to be part of a volunteer team that lifts your spirits while you work. Seeing the joy that volunteering brings to the people Bello Machre supports always warms my heart! These days, it is more important than ever to reach out to others. The smiles that emanated from folks — even under their masks — when I delivered cookies during Every Step Counts prove that human contact is vital to our mental and emotional well-being. After all, just because we have to practice social distancing doesn't mean we can't be social."

The pandemic has presented many, many challenges.

This included: the temporary closure of the Meaningful Day Program, families hesitant for their family member to receive Support Services, and our homes sheltering in place in our Residential Services Program.

Since March 2020, Bello Machre has been diligent in applying for grants and financial assistance through the Payroll Protection Program, the Provider Relief Fund, private foundations, and working closely with the Department of Developmental Disabilities Administration.

Our resiliency and immediate reaction to ensure the safety of the people we support, as well as our employees, are reflected in our positive financial position.

"Bello Machre has provided a loving home for our son, Billy, for over 35 years! Billy has severe autism with developmental challenges. We know firsthand the life-long challenges of caring for a son or daughter with developmental disabilities. Charles Hamm, who recently passed away, had been Billy's caregiver since the beginning. He provided love, stability, and exceptional care and gave us such peace of mind. Charles was such an important part of our family.

We included Bello Machre in our estate planning because we want to ensure that Bello Machre will be there for other parents like us. Moreover, we want to ensure Bello Machre will continue to hire exceptional caregivers, like Charles, who shared his life in the service of others. We dedicate this poem not only to Charles, but to all the exceptional caregivers at Bello Machre." – Jim and Janis Ellis

Bello Machre is grateful to all the individuals who have included us in their will or trust or who have made other planned gifts in support of our mission. These special gifts allow us to provide loving care for a lifetime. **Join this prestigious giving club by emailing Tracy Lynott today at tracy.lynott@bellomachre.org**

Where's Charles?

By: Janis Ellis

*Charles is always there for me!
He buys my clothes.
He cooks my food.
He helps me shower.
He knows when I'm scared.*

Charles is always there for me!

*He buttons my shirt all the way to my neck
because that's the way I like it.
He holds my hand at the doctor's and
tells them not to make me wait so long.
He supports me putting orange juice in my cereal.
Who does that? Charles does.*

Charles is always there for me!

*He taught me to make my bed.
He taught me to hang up my clothes.
He taught me to calm down.*

Charles is always there for me!

*Where's Charles?
They say, "Gone!"*

No he isn't! Because Charles is always there for me!

Thank You *for making Bello Machre possible*

Remembering Charles Hamm

On November 13th, 2020 we lost a truly remarkable member of the Bello Machre family. Charles Hamm epitomized the values that are at the foundation of our mission.

For more than 33 years, Charles provided loving care to Billy, Dennis, and Steven, people with developmental disabilities who live in one of our accessible community homes. Charles spent his career at Bello Machre in the service of others. Whether he was throwing a special Ravens game celebration, playing board games, or cooking up delicious food, Charles always reminded the gentlemen they were loved. Billy's mom, Janis, explains, "As a parent, all you want for your child is to be safe and loved. Charles's compassion and patience reassured me and inspired me every single day."

As a Senior Family Living Director, Charles mentored new Family Living Directors and supported our Residential Program through many years of growth. He was a great friend to so many, providing guidance, support, and love.

Dr. Robert Ireland, Bello Machre's President & CEO, shares, "Quite simply, Charles was family. Family to the guys with whom he shared his life for three decades, family to their families, family to the staff who worked with him, and family to everyone with whom he came into contact."

Your loving spirit will live on at Bello Machre.

Charles, Billy, and Dr. Ireland

A Giving Heart

Katie Hedrick, who has worked at Bello Machre for 13 years in the Human Resources department, is a valued member of the Bello Machre family.

“Having worked at Bello Machre for 13 years, I’ve frequently witnessed the dedication and care our employees show to the people we support. This year, their loving care was so evident. Our Direct Support Professionals (DSPs) have shown up every day in this pandemic and brought joy to the people we support. Donating to Bello Machre not only improves the lives of people with developmental disabilities, but also helps celebrate our amazing employees. I dedicated my payroll deductions in honor of Bello Machre’s DSPs because I wanted to show my gratitude to the amazing employees who have made this year better for the people we support.”

*A lifetime of loving care
for people with developmental disabilities*

WE ARE STRONGER TOGETHER!

Bello Machre provides a lifetime commitment of loving care for children and adults with developmental disabilities. We promise family members that we will always be there for their loved ones. We support over 186 people in our 50 community homes and help more than 150 children, adults, and families in their own homes and communities. Founded by parents of children with developmental disabilities, our name means **Home of My Heart** in Gaelic. We are an amazing organization in need of volunteers, donations, and funding. More importantly, we need your help to spread the word! We believe that everyone deserves the opportunity to love and be loved – that's what Bello Machre strives for each and every day — we invite you to be a part of the Bello Machre Family.
