

Helping change Lives Heart *by* Heart

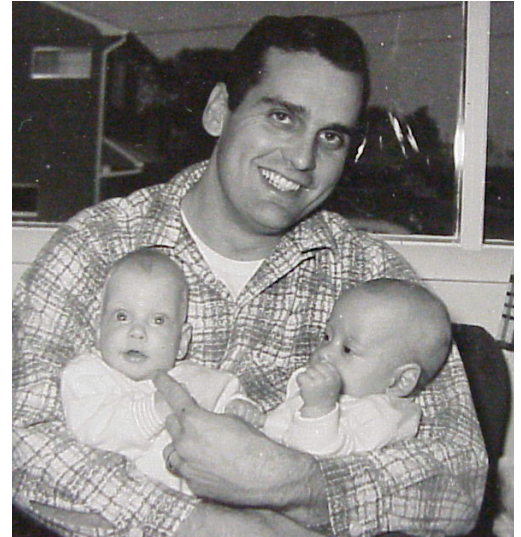

A FATHER'S LOVE

"My dad was focused on the future," says his daughter, Deb Watkins.

"He always said, I'm not going to live forever, and I need to find a safe place for Marcia and Doug to live. They need to establish their own lives."

"My dad, Melvin, was in the Navy and got married in 1950. Two years later I was born and within months, my mom was diagnosed with Hodgkin's lymphoma. There was little known about treating cancer in the 1950s and the doctors only gave my mom five years to live. Although the news was devastating, joy came into our lives with the announcement of my mom's pregnancy."

In April of 1958, Marcia and Doug arrived in the world. Before the ambulance arrived at their home, Melvin had already delivered twin babies. "Dad said each could fit across the palm of his hand. Because they were two months premature, the babies were rushed

to the hospital with serious, life-changing disabilities. My mom was also rushed to the hospital and died two weeks later."

When the twins came home after a long stay in the hospital, Melvin was also caring for five-year-old Deb, and working full time.

MISSION

To provide a lifetime commitment of *loving care, opportunity, and guidance* for people with developmental disabilities in Maryland.

president's message

What a night! As I stood at the podium at our 50th Anniversary Gala, I felt honored and proud to be a part of the Bello Machre family. I saw the familiar faces of people who were an integral part of our story 50 years ago and so many who advocate and carry on the Bello Machre mission today.

Dr. Robert T. Ireland

How thankful I am to be associated with an organization that makes such an impact on the lives of people with developmental disabilities — and their families.

Marcia, who is featured in our cover story, lived at Bello Machre from the beginning. As you will read, Bello Machre was there for her family in their greatest time of need. Now, these 50 years later, we continue to provide Marcia with lifelong loving care.

I hope you know that your involvement over the years has been critical in our journey. As we embark on our next 50 years, your ongoing support will be vital to our success.

Accordingly, I'm pleased to share with you our plans for a \$10 million initiative that will help grow our **Legacy Fund** and will provide the financial safety net for generations to come. This initiative will also secure funding to help us build new homes and provide more opportunities for those we support. By securing our financial future, we can keep our promise to families that we will be there for their loved one – **today, tomorrow and always.**

I'm so grateful for your past contributions and support and I'm looking forward to your participation in the next chapter of the Bello Machre story.

Sincerely,

A handwritten signature in dark ink, appearing to read "Robert T. Ireland".

"What I loved about Bello Machre from day one was the feeling of family. The fact that we had live-in caregivers, some who were parental, others who were like older siblings. But most importantly, it was the feeling of loving care that I felt from the day I started. I loved the fact that Bello Machre had been started by family members whose vision spread throughout the whole organization."

ANNIVERSARY

gala

Bello Machre celebrated its 50th Anniversary Gala at the stunning Maryland Live Hotel and Casino on October 21, 2022.

Sponsors, donors, staff, individuals, and family members gathered to enjoy an evening of celebration. Guests were embraced by Bello Machre's signature blue and gold décor along with posters showcasing snapshots of our journey throughout the years. Capital City Swag serenaded guests with sweet harmonies as they danced, dined, and reminisced. The beautiful commemoration was fit for five decades of hard work, commitment, and community building.

As we reflect on our rich history, we cannot wait for the bright future ahead!

Celebrating
our Dream

The founding parents of Bello Machre had a dream for a better life for their sons and daughters. In the 1960s and early 1970s, parents often cared for their children at home knowing that the only other option for help was institutional life. Many parents, however, could not fathom their children sleeping in a 50-bed ward, having to openly share bathrooms and showers, without any opportunity for organized activities and enrichment.

Bello Machre's founding parents had a vision. They knew that the possibilities were endless if their children were afforded a safe and loving environment where they could learn life skills and be given opportunities to flourish and live as independently as possible. As special education schools were created and opening across the country, our founding parents were further inspired to open our first campus homes in 1972.

By the early 1980s, instead of expanding the existing campus program, Bello Machre opened its first community home in Glen Burnie. This was truly the start of the movement for full social inclusion for people with intellectual and developmental

SUPERSTAR STAFF!

Loving Care Lifts Spirits

“It’s been incredible to see the bond between Joey and Nene grow stronger every day,” says Fillie Faboe, Residential Program Director. Recently, Fillie shared that Joey celebrated an incredible success thanks to the support and love from his Family Living Director, Nene. It had been 7 years since Joey last used the Hoyer lift in his home. Staff had made countless attempts to help him feel more comfortable with using the lift, but to no avail — until Nene joined his home as the new Family Living Director.

Nene and Joey’s connection seemed instant. In almost no time, Nene had Joey smiling and trying things outside of his comfort zone, including using the Hoyer lift! Fillie concludes, *“Bello Machre truly means it when they say that we provide loving care — Nene is the perfect example of that!”*

A Direct Support Professional Celebration — THANK YOU!

“Our Direct Support Professionals are truly the backbone of Bello Machre,” says Doctor Ireland, CEO. In recognition of the selfless, amazing work that our caring support staff do each and every day, Bello Machre hosted Food Truck Friday at both their Anne Arundel and Carroll County locations in September. Direct Support Professionals enjoyed the beautiful fall day with a delicious lunch and lots of mingling. Everyone took home a cozy Bello Machre fleece, too.

Halloween Traditions

“You’re never too old to enjoy Halloween!” exclaims Carly Huezo, Program Manager. Over the course of October, our fun, supportive staff helped the people we support find their Halloween spirit through decorations, costumes, and sharing sweet treats. *“We look forward to decorating our home for Halloween every year,”* says Tayborie. *“[Family Living Director] Jennifer is really good at helping us make everything look perfect!”*

A FATHER'S LOVE...CONTINUED FROM PAGE 1

There were many struggles early on as there were very few services to help moms and dads who had kids with special needs.

As Marcia and Doug became teenagers, Melvin heard about a movement in Anne Arundel County where parents had gotten together to develop group homes for people with developmental disabilities.

"I remember visiting the campus with my dad and feeling such a sense of family. Dad knew from the start that Bello Machre could provide the help our family so desperately needed." He saw in Bello Machre a loving, caring environment that would provide a lifelong home for the twins."

Marcia and Doug moved into two of Bello Machre's first community homes in 1972 when our doors opened. Melvin was a big part of their lives until his passing in 2016.

"I wish my dad could have seen Marcia and Doug at the Anniversary Gala where we celebrated 50 years of life and love at Bello Machre. Bello Machre has been a true blessing for our family," Deb concludes. 🌻
