

Helping change Lives Heart *by* Heart

OUR BABY IS ALL GROWN UP

“After having two girls, we welcomed our baby boy, Timothy,” says Cindy, Tim’s mom. “We were all so excited.”

Tim’s parents were thrilled to have another baby to love and care for, but noticed early on something was different. Cindy reflects, “Paul and I thought Tim was just a late talker and that speech therapy would help.” After a few sessions and no improvement, Tim’s speech therapist suggested he get additional testing. At the age of 2 ½, Tim was diagnosed to have PDD-NOS (Pervasive Developmental Disorder-Not Otherwise Specified). In the ’90s, that was a catchall diagnosis for what today is called autism.

In the early ’90s, there was not a lot of data about autism especially as it relates to the education system. Paul, Tim’s dad, remembers, “I feel Tim was in the first wave of kids on the spectrum being

Tim with his parents, Cindy and Paul

mainstreamed into the elementary schools. We have been so fortunate over the years to be a part of the Anne Arundel County School System and blessed with wonderful teachers who guided Tim through challenges with classes and connecting with others.”

MISSION

To provide a lifetime commitment of *loving care, opportunity, and guidance* for people with developmental disabilities in Maryland.

I had a heartwarming experience visiting one of our Bello Machre homes last week.

The four women who live in this home are all getting up there in age. They have lived together for over 15 years. Although they all may be slowing down a bit, they continue to thrive.

Each of these women grew up in a loving family. They continue to experience that love every day at Bello Machre. Each one of the women has a unique bond and special friendship with their caregiver, Sophia.

I saw this firsthand when I was speaking with Sophia and one of the ladies, Mary, came into the kitchen. She immediately walked over and hugged Sophia and, with a big smile, proudly stated, “She’s my best friend.”

It’s this kind of loving relationship that we strive for with all of those we support and the staff who support them.

When I asked Sophia why she devotes her life to the ladies, her eyes teared up. “The ladies are my life,” she quietly stated. **“They give my life meaning.”**

I want you to know that your gifts have a profound meaning and effect at Bello Machre. It’s your gifts that help Bello Machre provide meaningful lives not only to the people we serve — but also to the more than 400 staff members who support them.

Thank you for being such an important part of the Bello Machre family.

Dr. Robert T. Ireland

PROGRAMS AND SERVICES

Bello Machre means *Home of My Heart* in Gaelic. We provide a lifetime commitment of loving care, opportunity, and guidance for people with developmental disabilities in Maryland. The people we support will live in one of our 50 safe, beautiful homes or receive personalized care in their own home by trained and compassionate caregivers. Each person served by Bello Machre will have the opportunity to experience a meaningful day based on their needs and desires.

The Jesse and Hertha Adams Ray of Hope Program — We provide assistance to help meet the needs of individuals and families: from specialized summer camp to physical therapy and adaptive equipment expenses — Bello Machre will help families with whatever challenges they may face. Our Respite Care services provide support during family hospitalizations, emergencies, and vacations — 24-hours a day, seven days a week.

Community Services — We understand the daily challenges faced by many families. Together we develop a plan identifying needs and finding resources. Whether planning for a child just entering pre-school or needing in-home care for a family member who is aging, our dedicated and trained team helps every step of the way. The program also provides personal assistance including, but not limited to, helping families care for their children, providing transportation, purchasing and administering medication, initiating and navigating state funding, and buying medical accessories and equipment. Bello Machre also helps families through the application process — providing education about the ins-and-outs of the system. Our support services team provides case management including referral services, resource coordination, and advocacy.

Meaningful Day Services — We provide vocational and community-based adult day services, supported employment, and/or recreational, educational, and social opportunities for people with developmental disabilities. Our focus is to enrich the lives of those we support through activities within the community that promote the individual's personal and/or professional growth. This may include supported employment, job development and training, career development resources, community-based day services, and skills training and communication resources.

Residential Services — We care for people in homes where they feel safe and loved. A live-in caregiver guides and helps those we serve so they can grow and develop and live life to its fullest. As those we serve continue to age and develop more complex medical needs, their homes will be available for a lifetime of care.

Share Your Life — Contact us today to find out how you can develop a meaningful connection and have a direct impact on the people we serve.

Bello Machre, Inc. is a 501(c)(3) charitable organization registered with the Maryland Secretary of State. It serves children and adults with developmental disabilities without regard to race, religion, gender, or national origin.

SUMMER FUN SNAPSHOTS!!!

The gang at our Severn Hills home enjoyed their day cruising on the Wye River on Maryland's Eastern Shore. Everyone loved the sun and fresh air and even had a chance to steer the boat! (Photo 1, 2, & 3)

Brandon and his staff JD were having fun testing out some Fourth of July snap pops in Carroll County! Brandon loves teasing JD. Brandon could not stop laughing watching JD jump around as he was throwing them on the ground. (Photo 4)

Mattie had a great time painting pottery at Firehouse Pottery in Carroll County. She loves arts and crafts and was happy to get out and enjoy a relaxing afternoon painting pottery to display in her bedroom. (Photo 5)

Mike finished his summertime goal challenging himself to ride from Glen Burnie to Annapolis on the Baltimore and Annapolis Trail. After his ride he posed proudly on the Route 450 bridge at the Navel Academy. Great job Mike! (Photo 6)

The Meaningful Day crew had fun at Southwest Area Park Model Air Flying Field! The group enjoyed watching model airplanes in action. Everyone had a wonderful time and can't wait to go back! (Photo 7)

IT'S ALL ABOUT TIM...CONTINUED FROM PAGE 1

Cindy chimes in, “It was the school system that led us to Bello Machre. We attended a service fair where we found out about the Developmental Disabilities Administration, Service Coordination, Inc., and providers in our area. After meeting with several providers, we were most impressed with Bello Machre. Bello Machre was the only one that asked us *what our dreams were for Tim*. They asked us *what were we looking for in a provider and, how can we help?* We were blown away with everything about Bello Machre especially because Tim was the focus!”

Today, Tim is a part of the Bello Machre Meaningful Day Program where he spends a few days each week out in the community with a small group of friends doing fun activities. “We love Bello Machre because they make every day about Tim!” Birgit, the Meaningful Day Program Direct Support Professional, loves Tim and goes out of her way for the whole group. “They are always on the go — fishing, sailing, swimming, bocce, bowling . . . What is really special is that Tim has developed a personal friendship through the program and now he and his friend, Tyler, do social activities outside of the program.”

Tim enjoying a pool party.

Tim at the Mister Car Wash with Bill.

On the days Tim is not doing fun activities with the community group, he works at Mister Car Wash in Millersville, Maryland. He loves his job and all the employees at Mister Car Wash. Everyone treats him like one of the gang, says General Manager, Bill Sammon. “We are eager to support folks in the community. Tim has been such a great addition to our team, and Bello Machre is fantastic in supporting him and us.”

Mom concludes, “Bello Machre has opened so many doors for Tim. Although we don’t know what the future holds, we know that Bello Machre is an important part of Tim’s life. I also know they will be there every step of the way.” 🌟

Dr. Ireland welcomed and greeted participants.

Our amazing community of Bello Machre sponsors, volunteers, and supporters came together and made Every Sep Counts 2021 the best ever. We held five walks throughout the community to celebrate Bello Machre and the people we support. Collectively we raised over \$150,000! From St. Benjamin's Church in Carroll County to our Freetown Road Campus in Anne Arundel County — 300 participants came out to walk at locations throughout our community. Their enthusiasm was contagious and generosity over the top! 🌻

Please be on the lookout for our **Volunteer Newsletter.**

Sign up to donate an incredible Thanksgiving feast for one of our homes or families in the community. Thanks to Anisha, Queen, who delivered boxes of tasty Thanksgiving food to Bello Machre homes.
