OUR MISSION

To provide a lifetime commitment of *loving care, opportunity, and guidance* for people with developmental disabilities in Maryland.

For over 50 years, we have provided residential and community-based services that help those we support live rich, fulfilling lives.

Employing 600 part-time and full-time professionals, we serve 185 people in 50 community group homes throughout Central and Western Maryland. Bello Machre also provides help and support to more than 300 children, adults, and families in their own homes and communities.

The Jesse and Hertha Adams Ray of Hope Program provides assistance to help meet the needs of individuals and families. From specialized summer camp to physical therapy and adaptive equipment expenses, Bello Machre will help families no matter the challenges they face.

Personal Supports Services pair Direct Support Professionals with individuals in a one-to-one setting. The people we support receive access to community-based social, educational, and leisure activities, helping them to thrive and grow.

Meaningful Day Services include Community Development Services and Employment Services; both provide community-based adult day services. Community Development Services include social, recreational, and volunteer opportunities in a small group setting so that the people we support can be active members of the community. Employment Services focus on helping people find competitive employment opportunities in the community.

Residential Services offer care for people in Bello Machre-owned homes where they feel safe and loved. A Family Living Director (house manager) and other Direct Support Professionals guide and help those we serve so they can grow, develop, and live life to the fullest.

OUR LEADERSHIP

Dedicated, Experienced & Compassionate

“Why Not Me?”

It was a simple yet powerful question that Joe asked himself as he watched the dedicated staff in his home prepare another meal. For years, he had watched them cook for him and his housemates — until one day, he paused and thought: What’s stopping me from cooking for myself? In that moment, a spark was lit. A journey of discovery and independence had begun.

This year’s annual report is filled with stories like Joe’s — stories of curiosity, growth, and possibility. While each journey is unique, they are all connected by a shared spirit of determination. That moment of asking, **“Why not me?”**

For Jackson, a participant in Bello Machre’s Employment Services, it meant stepping into a meaningful job in the community — gaining skills, confidence, a paycheck, and greater independence with each workday.

For Sharon, a resident of a Bello Machre group home who just celebrated her 70th birthday, it meant saying yes to adventure. She planned a special vacation with her caring staff and embraced new experiences through our Meaningful Day Program.

And for Stephanie, who just turned four, it means taking bold steps — both figuratively and literally. With support from Ray of Hope funds, she is learning sign language and practicing walking independently, embracing her journey toward greater freedom.

Each of these moments, big and small, reflects the heart of Bello Machre’s mission: supporting people to live full, meaningful lives. Because when someone dares to ask, **“Why not me?”** we’re here to help them discover the answer.

Empowerment extends beyond the individuals we serve — to their families, their futures, and the community we’re building together.

This year, we strengthened that commitment by launching a future-planning series in partnership with Elena Sallitto — an attorney who specializes in eldercare and special needs planning — helping families prepare for the future. We also celebrated the grand opening of the Dr. Robert T. Ireland Building, a new home for our Residential Services team and a symbol of opportunity and belonging.

These milestones, along with every step forward, are made possible by the strong foundation we’ve built together. With your support, Bello Machre will continue to grow, innovate, and provide life-changing care for generations to come.

Together, let’s embrace another year of opportunity, connection, and boundless possibilities.

Julie Provan, Vice President and COO

OUR STORIES

We Nuture, We Teach & We Care

A lifetime of *fun*

"I like to go bowling and do karaoke with my friends. We also love going to the movies, especially the scary ones," shares Sharon, a longtime Bello Machre resident.

Since joining Bello Machre in 2008, Sharon has created a life full of joy, new experiences, and cherished friendships. At home, she loves puzzles, catching up on *Little House on the Prairie*, and spending time with her housemates. She also participates in Bello Machre's Meaningful Day Program, where she found a welcoming community. "When I first joined, I didn't know many people and felt nervous," she recalls. "But everyone was so friendly, and now I love it. My favorite activity is cooking classes!"

This year, Sharon celebrated her 70th birthday in style. "We had cupcakes, and I wore a new dress," she says with a smile. Her next big goal? A trip to Disney. "I want to go with Jasmine, but no men allowed — even her husband!" she jokes.

Sharon credits her Family Living Director, Jasmine, for helping her achieve her dreams. "Jasmine helps me work toward my goals," Sharon shares. Jasmine adds, "We're making that Disney trip happen — the ladies are excited, and we'll make it a reality!"

A Ray of *Hope*

Born at home on Valentine's Day in 2021, Stephanie was a special gift to her family.

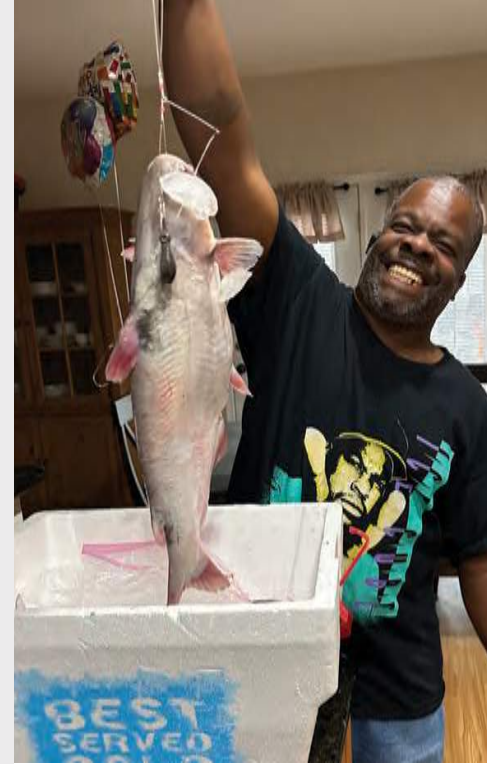

As the youngest of nine children, she was surrounded by love from the very start. Diagnosed with Down syndrome, a heart condition, and a blood disorder shortly after birth, she faced medical challenges early on. But with strength and care, she overcame them and returned home to continue growing and thriving.

By the time she was three, Stephanie's family focused on two key areas: communication and mobility. She had started learning sign language, and her family wanted to strengthen her skills while also preparing for the possibility of a communication device. Bello Machre stepped in through the Ray of Hope grant, helping provide an iPad, a case, and Signing Time videos. Sign language became a bridge, allowing Stephanie to express herself and stay engaged with those around her. "My biggest concern was that she would get frustrated trying to talk and give up," her mother shares. "Her sign language has helped her stay engaged with her family and community and helped her voice her opinions and needs."

Mobility was another hurdle — at three years old, a physical therapist recommended a walker and once again, Bello Machre was ready to step in and provide the funding for the walker immediately. Just four months later, Stephanie took her first independent steps!

"The Ray of Hope grant gave Stephanie what she needed without endless paperwork and delays," her mother adds. "It made a direct impact on her life, and we are so grateful."

With every step forward, Stephanie is proving just how much she can achieve — supported by her family, her community, and the generosity of Bello Machre.

Yes, *chef*

"Oh yeah, they love my cooking. No doubt, no doubt!" says Joe with a proud smile. Joe has lived at our Longview Avenue home since 1999, and for him, cooking is more than a chore — it's a passion.

Joe's culinary journey began when he had a simple thought: "Why not me?" Watching his care team prepare meals, he decided to give cooking a try. With encouragement from staff like Rahneeka Bowman, Direct Support Professional, Joe began creating meals for the house, from homemade French toast to baked chicken and ribs.

Joe's passion is contagious. Cooking has become a group activity, with each resident contributing to shared meals. For one dinner, Mark baked sugar-free oatmeal cookies, Michael made corn muffins, and Joe crafted spaghetti with homemade sauce. The meal was a hit, filled with laughter and delicious flavors.

"If it wasn't for them to teach me, I would never learn," Joe reflects, grateful for Rahneeka's guidance. "I would never pick it up if it wasn't for her."

"He does an amazing job," Rahneeka shares proudly. "Cooking is no longer just an activity for Joe — it's a way to bring people together and showcase his love for food. And by the way, his dishes are incredible!"

Scan here to watch Joe speak about his culinary journey!

Programs that *work*

Jackson has always loved being part of the community. Through Bello Machre's Meaningful Day and Employment Services, he's found the perfect way to connect, grow, and gain confidence.

Introduced to Bello Machre by a teacher, Jackson immediately felt it was a great fit. "I wanted to be more involved in the community and find a job I'd enjoy," he shares. Since joining in 2023, he's embraced opportunities like gardening at Moonlit Acres, hiking, and group volunteer projects. "I like big group activities because I'm outgoing," he says with a smile.

Through Employment Services, Jackson explored job opportunities by volunteering at places like New Windsor Library and Carroll Lutheran Village's gift shop, where he gained skills in customer service and using a cash register. Peggy, his Employment Specialist, has seen him grow. "Any company would be lucky to have him," she says.

A milestone came when Jackson landed his first paid job at SERRV, a nonprofit retail organization. "SERRV is a great place for me," he says. "The environment is quiet, and I like organizing items and barcoding products." His mom, Stacey, is proud of his progress. "One day, he thought he had the day off, but when his job coach arrived, he quickly pulled himself together and went to work. It showed how responsible and committed he's become."

With every step forward, Jackson is building a bright future. "I can see myself working at SERRV long-term," he says. And those who know him have no doubt. "He's eager to become a regular part-time employee," Peggy adds. "And knowing Jackson, he'll make it happen."

OUR DONORS

Extraordinary Acts of Generosity

Muzikfamily

For over 25 years, Mike Muzik, the owner of Cattail Construction, has been a dedicated partner and friend to Bello Machre.

Through his business and personal commitment, Mike has played a pivotal role in helping and building wheelchair accessible homes throughout Anne Arundel County, specifically designed to meet the lifelong needs of people with developmental disabilities.

Mike's journey in construction began as a laborer, working his way up to establish Cattail Construction, Inc. He has constructed over 20 homes for Bello Machre, with more in development. These are homes where individuals we support can live comfortably and independently, making them an integral part of their communities.

Mike's commitment to Bello Machre goes beyond just construction. Over the years, he has generously contributed over \$250,000 through event sponsorships and donations to support the organization's work. For Mike, this is not just about giving, it's about aligning with a cause that he deeply believes in.

He says, "My wife, Brenda, and I love Bello Machre and all that it stands for. Our strong faith aligns with the mission of Bello Machre." Mike continues, "Everyone I meet is kind and enthusiastic about making a difference in the lives of the people in their care." As a sponsor of events, Mike doesn't just write a check—he actively invites others to learn about Bello Machre's mission and get involved. He is a passionate advocate, using his position and resources to raise awareness and inspire others.

Mike's dedication to Bello Machre goes beyond just philanthropy; it is about creating a lasting impact. He proudly states, "I would attach my reputation to the kind of people who live in a Bello Machre home that I've built." For Mike, the work he does is personal. As a family business owner, he understands the importance of building homes where memories are made and people can live their best lives.

Through his hard work, dedication, and philanthropy, Mike and Brenda continue to make a profound impact on Bello Machre and the individuals it serves. Mike's story is a powerful reminder that philanthropy is not just about giving money — it's about using one's talents, time, and resources to make a meaningful difference in the lives of others.

Cattail Construction has been supporters of our annual Every Step Counts and Golf Tournament. We are incredibly grateful.

A DECADE OF DEDICATION: MIKE SALDI'S IMPACT

Mike Saldi's connection to Bello Machre began through his neighbor, Bob Ireland, and has since grown into a deep commitment to our mission. It began with his first contribution — a pledge to the Every Step Counts event in 2008. Over the years, Mike's involvement has grown significantly. He regularly sponsors and attends our Every Step Counts and Golf Tournament and has encouraged others to become part of our community.

One of Mike's most impactful roles is as an employer for Samantha, a person supported by our Meaningful Day Program. For over a decade, Samantha has thrived in a work environment thanks to Mike's support. His generosity extends far beyond financial contributions — having donated more than \$100,000 — he also provides invaluable guidance as the Vice Chair of the Bello Machre Board of Directors and as an advisor for our 2024 Strategic Planning Team. Mike reflects, "It wasn't until I attended an Every Step Counts event a few years ago that I truly understood and felt the profound impact of the mission. It was a wonderful and moving experience."

Mike's continuous dedication exemplifies the heart of philanthropy. He actively shares our mission with others and invites them to get involved, helping to expand our community of supporters. We are incredibly grateful to Mike for his unwavering commitment and for inspiring others with his philanthropic spirit.

Generous Community Grant Partners

Our amazing grant partners made numerous funding opportunities available for Bello Machre. Filling gaps in funding at Bello Machre, our 2024 grantors prove again that we are part of a very generous, enduring community.

Arundel Community Development Services, which administers grants through the Anne Arundel County Executive's Office, provided a generous community support grant in the amount of **\$15,000** to purchase start-up supplies for five new individuals admitted into our Residential Services program. With the funds awarded, we were able to provide bedroom furniture, bed linens, towels, and other necessary supplies to make our folks as comfortable at home as possible. The Anne Arundel County Executive's Office has generously funded projects and programs for Bello Machre for eleven years, totaling approximately **\$131,000**.

Hertha S. and Jesse L. Adams Charitable Trust's continued generosity totaled **\$54,999** in support of the Hertha and Jesse Adams Ray of Hope Program. This program helps families in our community and individuals we support with unfunded items such as physical and occupational therapy, co-pays for medical appointments, prescription medication, summer camp expenses, adaptive equipment, and transportation to out-of-state specialists. The Adams Charitable Trust has partnered with Bello Machre for over twenty years and has given more than **\$1,000,000**.

The Comptroller of Maryland, with the Department of Public Works provided **\$150,000** in the form of a Bond Bill to contribute to the renovation and reopening of the Community Activity & Training Building, formerly affectionately known as the Zweback Building.

Bello Machre residents and staff enjoy activities and events — inside and out — in the newly renovated Zweback Building, thanks to all of our funding partners.

Kathy and Jerry Wood Foundation continued its support of the Bello Machre Meaningful Day Program with a **\$50,000 grant**. This grant helps young adults with developmental disabilities obtain job skills training and community job placement. The Kathy and Jerry Wood Foundation has been a partner of Bello Machre for ten years, giving **\$275,000** in grant funding.

Maryland Affordable Housing Trust (MAHT) awarded a **\$45,000** grant to Bello Machre in 2024 to purchase three full-home generators for our Cedar Park, South Farm Crossing, and McGuirk Drive homes. MAHT has funded projects for Bello Machre for ten years and has given over **\$375,000**.

The Baltimore & Glen Burnie Civitan Clubs gave Bello Machre **\$2,000** to purchase first aid kits for every vehicle driven by a member of our Community Services team and for each van in our fleet. This contribution not only ensures the safety of our participants but also enables our organizations to continue our shared mission of fostering inclusivity, dignity, and independence for individuals with IDD.

OUR BIGGEST TURN OUT
Raises \$225,000

Bello Machre's largest fundraising event, Every Step Counts, was held in two locations: at Manchester Valley High School in Manchester, MD and Anne Arundel Community College in Arnold, MD on Saturday June 8, 2024. This day brought smiles, laughter, and heartfelt energy. Over 400 people from our community came out to walk, donate, and celebrate Bello Machre. The generosity from our sponsors, donors, and family members truly helped make ESC 2024 another year of success — we raised over \$225,000 for the individuals supported by Bello Machre! "It was so heartwarming to see so many people gathered to celebrate this year's Every Step Counts," shares Bello Machre Vice President & COO Julie Provan. 🌟

EVENT GIVING
Tops \$140,000

Bello Machre's 40th Annual Golf Tournament was a tremendous success! Thanks to perfect weather and the support of our generous sponsors and golfers, we raised over \$140,000 to benefit the hundreds of individuals we serve. This year, we welcomed 140 golfers for an exciting, sold-out day of golf and giving. The Sausage Stop at the 9th hole was a highlight, serving over 300 sausages! While several golfers came close to the \$25,000 hole-in-one challenge, no one claimed the big prize. A special thank you goes to our title sponsors: Mike Saldi of SCLogic and Shane Ireland and Quinn Salamandra from Tential, each contributing \$25,000. Your support makes a huge difference! We look forward to seeing you next year! 🌟

A LEGACY OF SERVICE AT BELLO MACHRE:

Dr. Robert T. Ireland Honored for 45 Years of Leadership

In June of 1979, Bob Ireland began a remarkable journey with Bello Machre. At that time, the organization was a small operation with just four cottages on its campus, supporting 40 people. Over the years, the campus has evolved and services have expanded. Many of the residents who once lived in these original cottages have since moved out to the community.

Today, Bello Machre is a thriving organization, providing support and services to 475 individuals. Our significant growth over the years would not have been possible without the leadership of Dr. Ireland. A visionary leader, Dr. Ireland changed the way families viewed the possibilities for their loved ones with disabilities, showing them that a fulfilling, independent life in the community was possible. His leadership has remained unwavering, staying true to the original vision of Bello Machre's founders: family, loving care, and advocacy.

Julie Provan, Vice President and Chief Operating Officer of Bello Machre, remarked, "Dr. Ireland has been a guiding light for Bello Machre. He has instilled a vision and culture of compassion, love, and family, which continues to resonate in everything we do."

For 45 years, Dr. Ireland's leadership has been an inspiration to generations of families, caregivers, and staff, and this naming ceremony is just one of the many ways his legacy will continue to be celebrated for years to come.

Scan here to watch the building dedication tribute.

2024 *In recognition of Dr. Ireland's decades of dedication, a special naming ceremony was held in October 2024. The administrative building was officially renamed the Dr. Robert T. Ireland Building.*

"I feel blessed to lead an organization that provides such meaningful, loving services. I am excited for what the next years will bring."
– Dr. Ireland

JO BETH IRELAND

It is with great sadness that we announce the passing of a longtime friend and beloved presence at Bello Machre for over 45 years. Jo Beth Ireland was known for her warm-hearted dedication to Bello Machre. During the holidays, she would decorate the campus and even give staff classes on how to make the perfect bows.

Jo Beth and Bob's journey together began in college and were married for 54 years. A constant presence at events, Jo Beth never missed an opportunity to support Bello Machre. When her boys were young, she brought them to Every Step Counts, instilling in them a sense of compassion and generosity.

Alongside Bob, she made countless visits to our community homes, bringing joy and care to all. She became widely known as the Sausage Queen to many friends, staff, and donors. For over two decades, Jo Beth and Bob roasted more than 250 sausages for the annual Bello Machre Golf Tournament, and "The Sausage Stop" quickly became a beloved tradition. Participants eagerly anticipated their stop at the grill.

Jo Beth's spirit, dedication, and love for her family and Bello Machre will always be cherished.

A LASTING TRIBUTE: Bob and Penny Lynch's Perpetual Memorial in Honor of Betsy

In a heartfelt act of love and remembrance, Bob and Penny Lynch have established a Perpetual Memorial at Bello Machre, ensuring that the legacy of their beloved family member, Betsy, will continue to inspire future generations.

Penny and Bob Lynch

Penny Lynch dedicated her career to supporting people in the disabilities field, while Bob grew up with a deep compassion for those with developmental disabilities, shaped by his sister Betsy, who had Down syndrome.

When Betsy's mother could no longer care for her, it was only natural that she found a home at Bello Machre. For more than 20 years, Betsy flourished in an environment that provided not only the essentials of life but also the love, respect, and dignity that every individual deserves.

In honor of Betsy, and in recognition of the exceptional care she received at Bello Machre, Bob and Penny made the decision to establish a Perpetual Memorial. This generous gift will not only pay tribute to Betsy's memory but also to support Bello Machre's incredible work for generations to come.

Perpetual Gifts

A gift of \$10,000 to \$24,999 is sufficient to establish a Perpetual honor or memorial designation that is distributed into the Trust Fund; the interest provided by this fund is used in the work at Bello Machre and perpetually pays tribute to a loved one as it continues to provide assistance to children and adults with developmental disabilities both now and for generations to come.

JACKIE HUTTON A Heart for Giving

For more than 30 years, Jackie Hutton has brought kindness, strength, and dedication to Bello Machre. As the Director of Residential Services, she leads with both heart and purpose, always putting the people we support first.

But Jackie's love for Bello Machre doesn't stop there. Since 2000, she has also given generously to the mission she holds so close to her heart, including through payroll deductions that directly support Bello Machre. "I have seen firsthand what Bello Machre stands for, which is to better the lives of the people we serve. That inspired me to do the same," Jackie shares. "We don't have to be major donors, but I truly believe we all must participate. It brings me great pleasure and satisfaction to give back."

Jackie's passion for this work shines in everything she does. She's at every event, cheering on the people we support, making sure they feel seen, heard, and valued. "I love my job because it's meaningful to me," she says.

And what a difference she has made.

"I get to be part of something that changes lives. Whether it's the individuals we support, our staff, or my colleagues. I truly enjoy what I do!" – Jackie

Tracy Lynott, Director of Development, says it best: "Jackie has always been a bright light at Bello Machre. Her generosity comes from her heart and soul, and we are all blessed to have her as part of the Bello Machre family."

Jackie gives with her time, her energy, and her heart — and Bello Machre is better because of it. We are truly grateful for her kindness, her advocacy, and the love she pours into everything she does.
